ASSOCIATE | FURNITURE STUDIO

“I’M LOOKING TO CONTINUOUSLY BUILD ON MY SKILLSET, ALWAYS ACQUIRING PROCESSES TO BROADEN THE PERSPECTIVES THAT I’M ABLE TO APPROACH FROM. I LIKE TO SIFT THROUGH THE COLLECTION FOR AN INSIGHT INTO PRODUCTIVE PATHWAYS; TO MAKE A PRACTICE THAT LOOKS OUTWARD, THAT BECOMES MORE PURPOSEFUL THAN ITSELF.”

### BIOGRAPHY

Nat Penney is an artist based in Tarntanya (Adelaide). Graduating from Adelaide College of the Arts with First Class Honours in Visual Art in 2017, she’s since translated those skills to jobs in timber furniture making and metal fabrication. Restlessly merging these fields, Nat searches for awkward and humorous situations, often resulting in flip flopping moments that can be both discomfiting and titillating. Her work is conceptually considered looking to challenge ideas of uselessness and to relieve everyday apathy.
