

LAUREN MURPHY

ASSOCIATE | CERAMICS STUDIO

“MY PRACTICE INVOLVES A COMBINATION OF CERAMIC TECHNIQUES TO DEVELOP FUNCTIONAL CERAMIC VESSELS AND OBJECTS. I LOOK FORWARD TO FURTHER EXPLORATION WITHIN MY PRACTICE, TO FIND SOLUTIONS TO CREATE THE BEST POSSIBLE DESIGN OUTCOMES. I AM EXCITED TO EXPAND MY PRACTICE AND COLLABORATE WITHIN A PROFESSIONAL ENVIRONMENT AMONG A COMMUNITY OF LIKE MINDED PRACTITIONERS.”

BIOGRAPHY

Ceramicist and Designer Lauren Murphy develops wheel-thrown and hand-built functional ceramic objects. As a recent graduate of Visual Communication at the University of South Australia, Lauren combines design processes with a range of ceramic techniques. Lauren's work is influenced by the variation of forms, textures and colours in natural objects, as well as through exploration of shape, light and scale. Each work is crafted with functionality in mind, through a slow and meditative process of making.
